We currently meet at Stacy’s Furniture, 1900 S. Main, Grapevine, TX, 76051. Stacy’s Furniture has graciously made the space available to us at no charge. It is available for our meetings, demos, and workshops. We have access to a large meeting room, kitchen, and board room, on the third floor. There is ample parking, a covered unloading area, an elevator, and a restaurant on the main level. The construction on Hwy. 121 and Hwy. 114 is complete, and the traffic flows nicely now. The completed highways make the drive from Fort Worth and Dallas much better.
